DOUBLE TROUBLE

TOM THUG ON 'OLIDAY!

**30
TO BE
WON**

Awesome fighting machines that once only existed in two dimensions are now bursting from the computer screens to meet in gladiatorial combat in the real world. Travelling in space and time, they clash head on in the never-ending battle of Good versus Evil. Z-KNIGHTS are a new and exciting range of futuristic, all-action, battery-powered robots - with moving and movable parts - that really walk and fight. These stunningly designed, snap-together machines come in kits of various sizes, and each Z-KNIGHT has its own name, character and comic book.

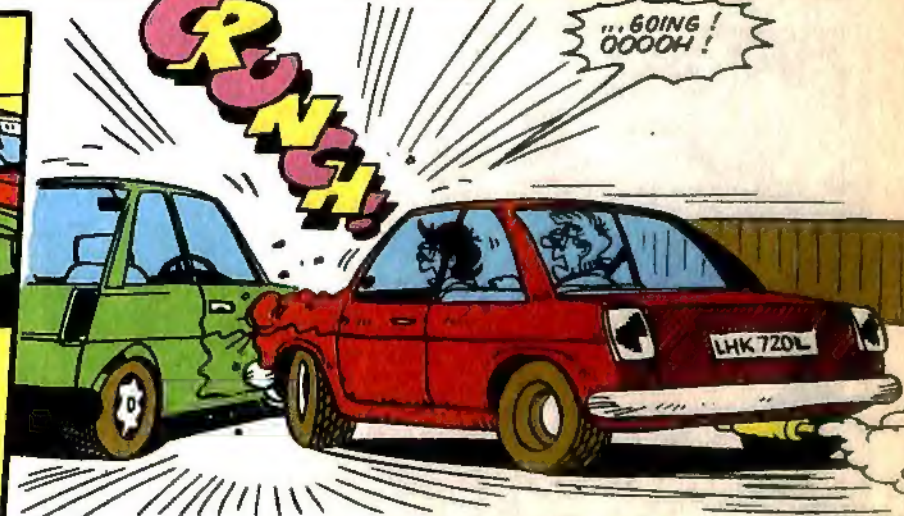

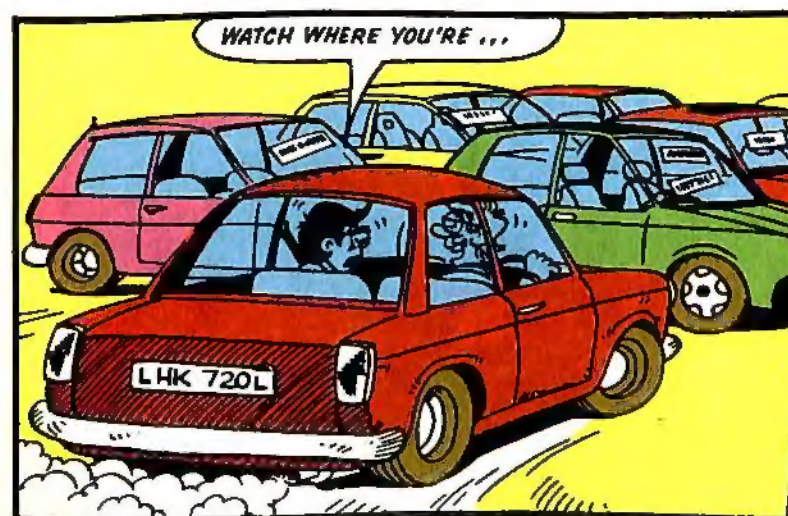

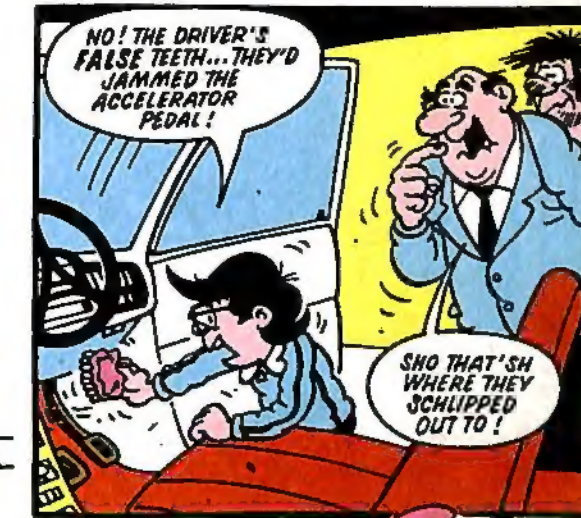

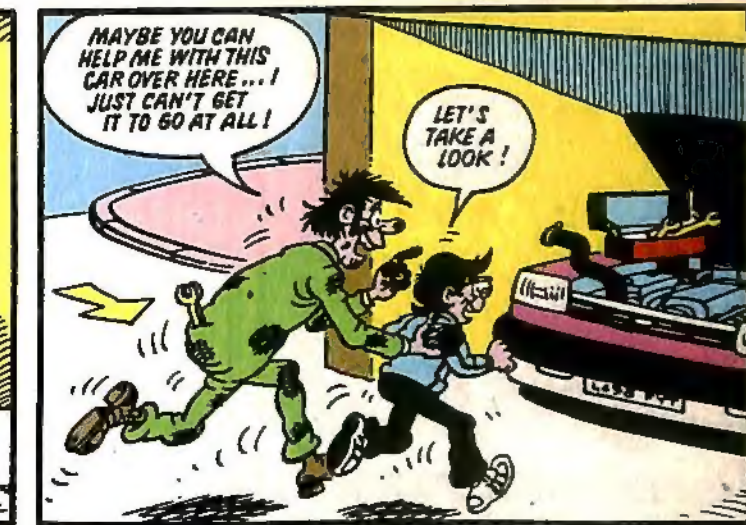

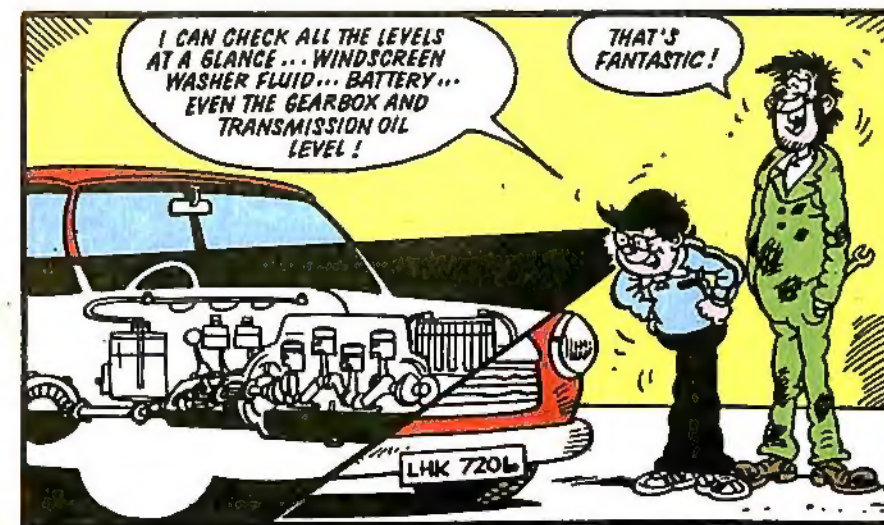

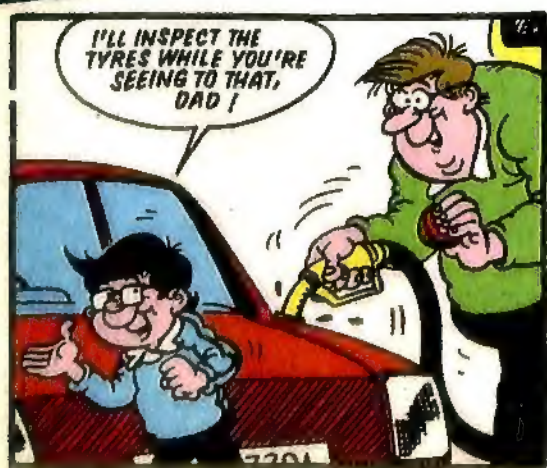

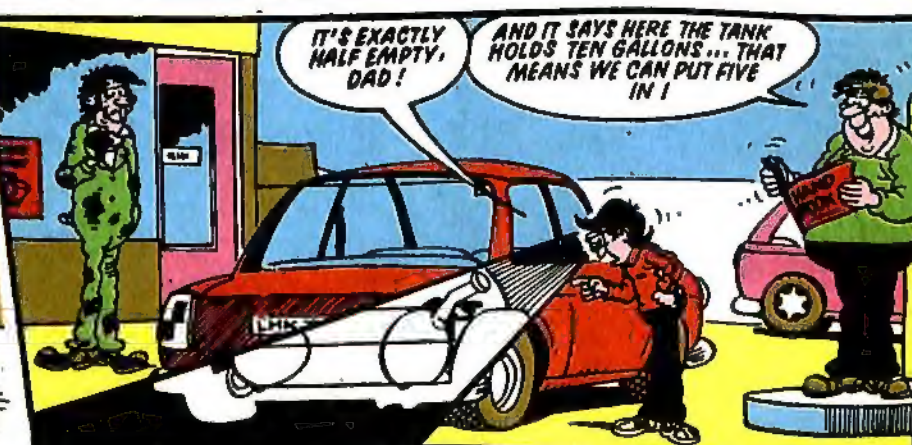

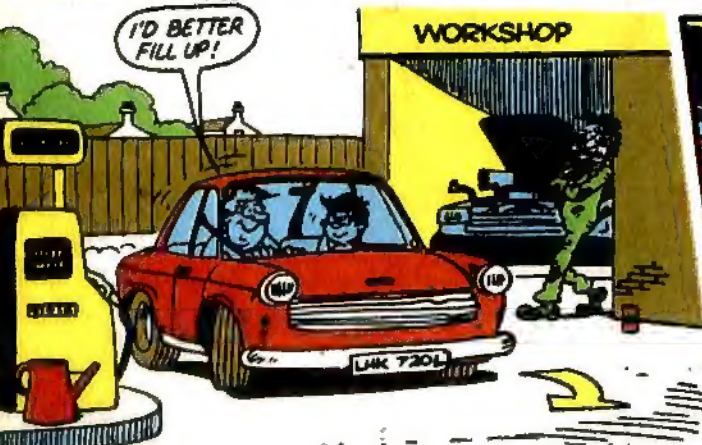

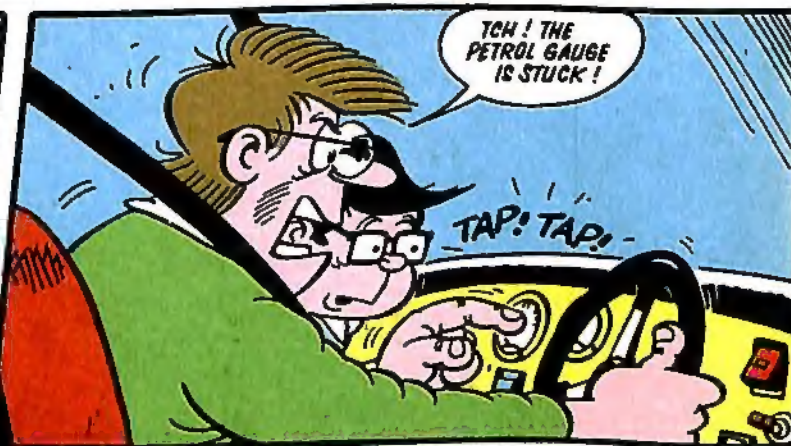

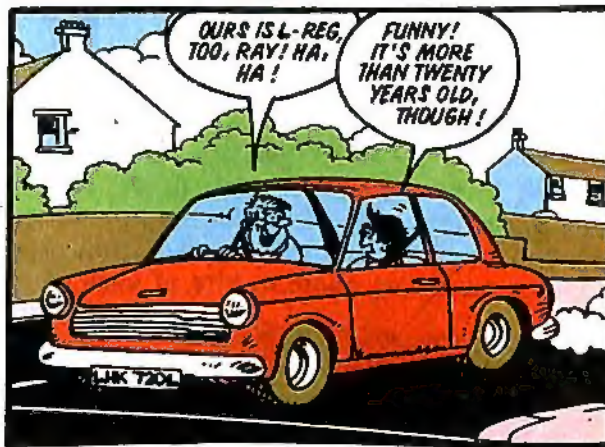

BOOT, ROM, KILABYTE and SHUTDOWN (two good and two bad) are the four battling Z-KNIGHTS we have up for grabs in our ace competition. Each of our 30 winners will get to pick up one of these galactic gladiators... but first, there is a simple task for you to tackle. Tell us which famous King had knights sitting at his round table. Was it: (a) King Kong, (b) King Prawn or (c) King Arthur?

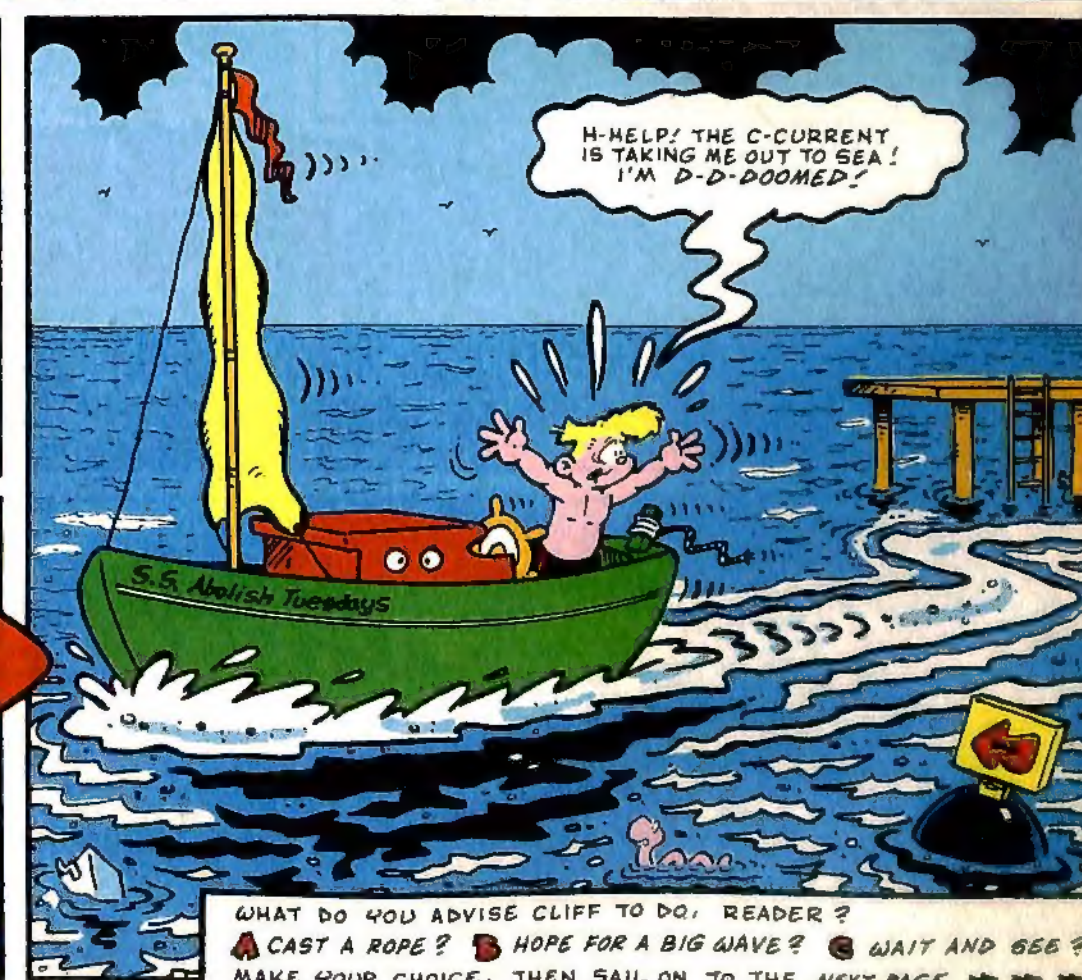

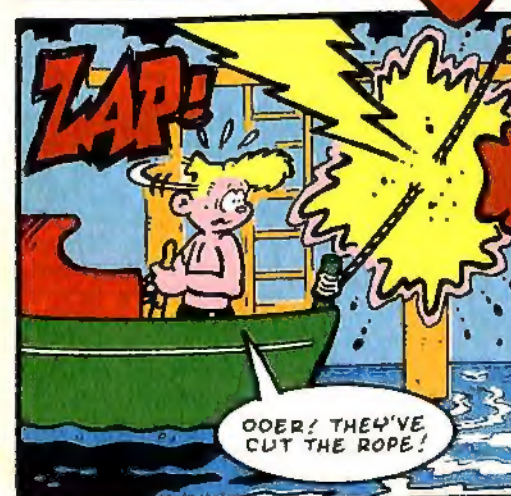

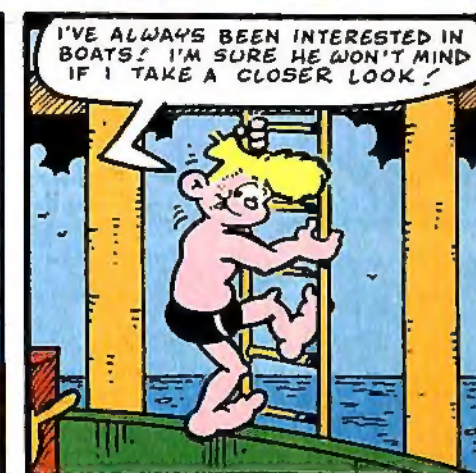

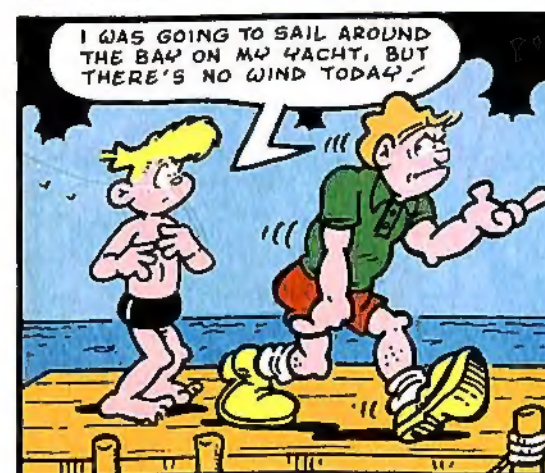

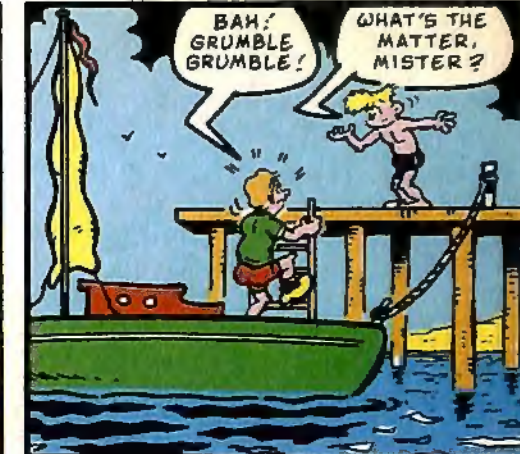

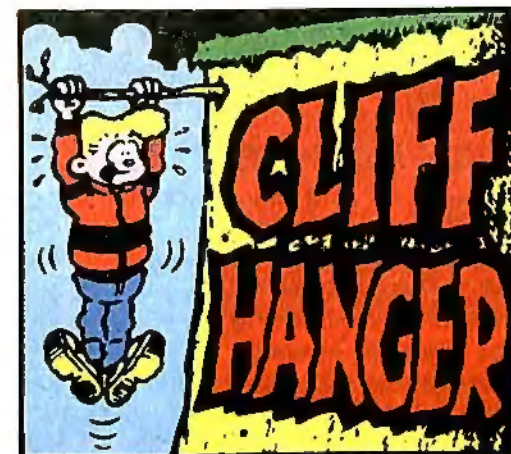

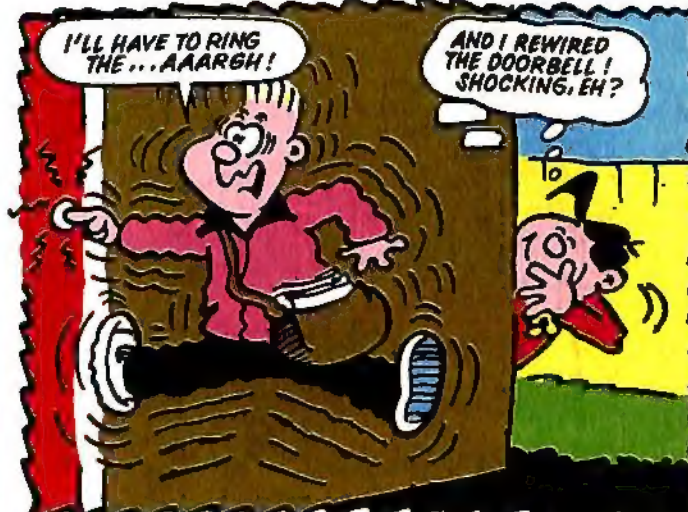

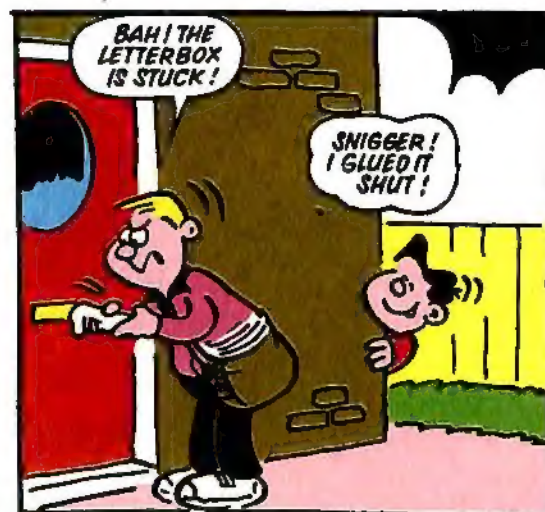

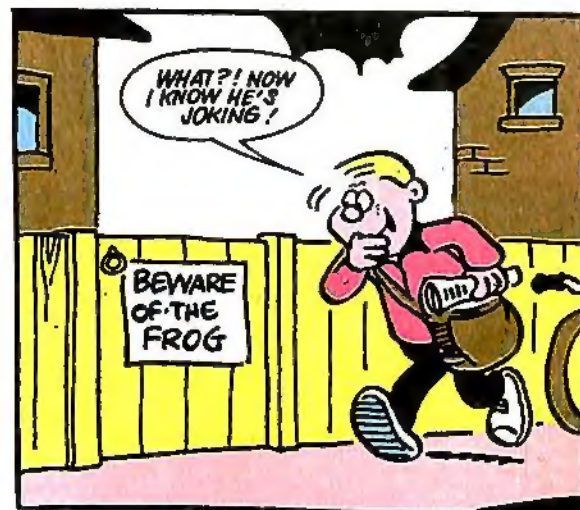

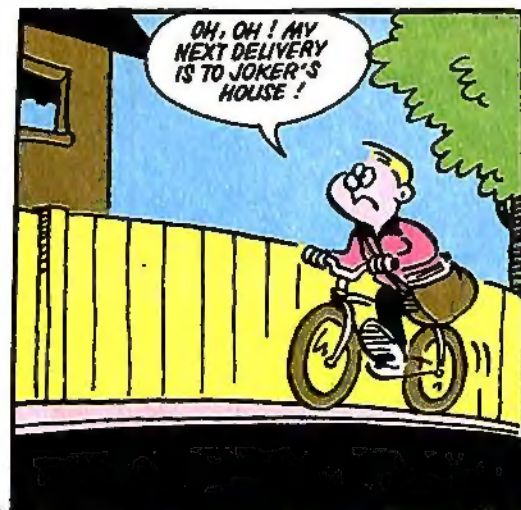

Write your answer on a postcard, or the back of a sealed-down, empty envelope, add your own name and address, then send your entry to: Z-KNIGHTS COMPETITION, at the usual BUSTER address, to arrive by 27th August 1993. Senders of the first 30 correct entries chosen from the postbag after this closing date will each win one of the Z-KNIGHTS on offer. Usual BUSTER rules apply. The Editor's decision is final.

What kind of wild and whacky things can you conjure up in your imagination? Mutant Marshmallows... Crazy Computers... Hideous Hedgehogs? Whatever they are, we'd like to see them. And if we like 'em we'll get our 'Alien Artist' to redraw them, and then they'll appear in a future issue of Buster. We'll even pay £5 to the sender of each idea we use. So come on, pals - get those imaginations working. Send your ideas to: IMAGINE, Buster Comic, P.O. Box 164, Chelmsford, Essex, CM1 3XB.
